Pre-Retirement Seminar
Friday, August 28, 2015
0830 – 1600
Soldier Support Center Auditorium

Providing Soldiers and Family members information on retirement programs, benefits and entitlements.

It is imperative that Soldiers and their families plan their military retirement long before the application for retirement is submitted. Not to have a planned retirement in many cases result in a less than happy retirement.

At least **12-24 months** before a planned retirement, a Soldier and Family members should attend a pre-retirement orientation provided by an Installation Retirement Services Officer. There is no prohibition to attending one long before a retirement application is submitted and another shortly before an actual retirement date. The information provided here is designed to help Soldiers and Families prepare for retirement.

Keep in mind, "Retirement is a process *NOT* an event!!"

NEXT SEMINAR IS SCHEDULED FOR FRIDAY, 26 February 2016
