

The Department of the Army will be filing current and future intern positions with broad agency announcements. These announcements can be accessed by going to the CPOC website.

HQ TRADOC is also seeking qualified college graduates that may be interested in working for the Federal Government in several disciplines. Currently, positions in the Contracting field are being solicited and will be filed by the CPOC announcement for interns.

Go to <http://cpol.army.mil>. Click on *Employment*, click on *Army's Vacancy Announcements*, scroll down and click on *Entry Level Civilian Careers*; click on *Vacancies*; click on *Vacancies* for those who "*Are Not*" employees of the Government. See specific job filed for *Contract Specialist*. This will describe the position and qualification requirements.
