MAY 16 2014

MEMORANDUM FOR ALL FORT LEE U.S. ARMY GARRISON PERSONNEL

SUBJECT: Memorial Day Holiday Safety Message

1. On 26 May, we will celebrate Memorial Day. This is a day to remember all the men and women who have paid the ultimate price to defend the freedoms that make the United States the greatest nation in the world. As we celebrate this significant holiday, we need to stand with the same diligence in focusing on the fight against accidental injuries and fatalities.
2. Memorial Day weekend marks the unofficial start of summer. Due to increased activities as a result of extended hours of daylight and warmer temperatures, the next few months pose the greatest risk for injuries and fatalities.
3. Many of you will take advantage of this well deserved weekend by spending time with family and friends to enjoy travel, outdoor recreation, and sports. Be aware of the high-risk activities involved with holiday travel and outdoor activities and ensure appropriate risk mitigation steps are in place. Focus on the proper use of personal protective equipment, safe driving practices, safe boating and swimming practices, and responsible use of alcohol. Don't text and drive or ride with someone who does.
4. Have a safe and enjoyable weekend and wherever you are this Memorial Day, please pause for a moment to reflect on America's fallen. Remember those who came before us, who they were, what they fought for, the values they represent and the legacy they have left for us.

A handwritten signature in black ink, appearing to read "Paul K. Brooks".
