

You're Invited....

Please join us for our March Patient and Stakeholder Advisory Council Meeting, March 7, at 3 p.m., in the Major General Kenner Conference Room.

One of our **goals** for the **2016** year is to strive for **greatness** when it comes to customer service. We want to **understand** your needs and meet them. We want to truly listen to you and answer all of your questions.

We want to establish **close relationships** with you and make them flourish. You are **valuable** to us and

we **thank you**
