

EXCEPTIONAL FAMILY MEMBER PROGRAM TRAINING OPPORTUNITY

First Aid & Stop the Bleed Training

Anyone of our Family members could fall sick or get injured, and in that event knowledge of First Aid can provide care for the victim well before the individual reaches a medical professional.

Stop the Bleed is intended to cultivate

grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives.

Army Community Service (ACS) Exceptional Family Member Program (EFMP) in partnership with Fort Lee Emergency Services is offering a First Aid & Stop the Bleed Training.

Date: 17 July 2018

Time: 8:30 am—4:30 pm

Location: Fire Station #2

(across from

Fort Lee Gas Station)

This training is free. RSVP required by contacting the individuals listed below:

Judy Eoff, EFMP Coordinator
804-734-6393; judy.k.eoff.civ@mail.mil

Jessica Naccarato, EFMP Systems Navigator
