

Installation

Town Hall

Aug. 17, 1 p.m. Lee Theater

This is your opportunity to learn more about post projects and programs, and to voice questions directly to installation leaders. It will be the first town hall session led by Col. Adam W. Butler, the new Garrison Commander. He and Maj. Gen. Darrell K. Williams, CASCOM and Fort Lee Commanding General, will give remarks at the event. All members of the community are welcome.
